WAIKARI SCHOOL NEWS - PRINCIPAL

Tena koutou, nga mihi ki a koutou,

Today our student's are busy working on their Spring Flower Festival entries ready for the festival this weekend. They are really enthusiastic about it and have created some great entries, well done to you all! Also today, we have a fun activity celebrating the Rugby World Cup. Our student's have been allocated a country to represent and have dressed in the appropriate colours with a mini touch rugby tournament held in the afternoon. It has been a lot of fun for all involved.

Next week (week 8), student Portfolios will be sent home for parents and caregivers. The Portfolios contain both snapshots of work since Term 2 and recent assessments completed by your child/ren. In week 9, there will be an opportunity for those of you who wish to discuss your child/ren's progress and achievement if required. It is not obligatory for you to make an interview but if you have any questions or concerns relating to your child/ren's progress please feel free to contact the school office and organise a timeslot.

Next Friday, we will host 24 children from our Kowai Learning Network cluster who are attending a *Robotics* day here at Waikari School. We will include 5 students from our school that will help up-skill these students in the basics of *Robotics* software.

On the 26th September, our Year 4-8 students will attend the Fonterra Science Road-Show based at Hurunui College. Our allocated timeslot is during the morning and there will be the opportunity for 2-3 parents to attend. If interested, please contact the school office.

A reminder that the junior school will attend the fantastic Kiwi-Sport Day at Scargill Domain on the last Thursday of term (6th October). A notice will go home with transport and other details shortly.

Have a wonderful weekend!

Ka kite ano
Andrew Kemp
